PAGE CREATOR: Justin Sollitt
EVENT: Tranz Alpine Scooter Safari
EVENT DATE: 29/05/2010

Greetings everyone

Welcome to my fundraising page.

I am participating in this year's Trans Alpine Scooter Safari where (at the time of writing) 120 hardened Southern Kiwis will once again traverse the mighty Southern Alps on 50cc scooters to raise money and awareness for the NZ Cancer Society.

The event will take place on Saturday 29th May; it starts from Christchurch and crosses New Zealand's Southern Alps to Hokitika on the West Coast, approx 250km which will take around 12 hours on a good day, (probably 3 weeks on a bad day). The event is not a race or a fun day out. It is instead designed to be the coldest, longest, toughest, most gruelling and uncomfortable test of endurance on a city scooter to raise money and awareness for cancer sufferers.

I will be very grateful for any donations you give. This is a great cause and I am proud to be doing my part.

Select the "Make a donation" button below. It's simple, fast and totally secure. If you live in New Zealand your donation is fully tax deductible and a receipt will be issued.

If you want to come out and show your support on the day I will look out for you.
For further information about the event, please visit:

Cheers and Best Regards
Justin Sollitt
